# John touches hearts of club members

By LAURA BUTTIGIEG

JOHN Coutis touched the hearts of those who attended the 4118 Club lunch last Tuesday at Greenbank RSL.

The inspirational speaker, who was born with a severe disability and later became a double-amputee, entertained the almost 100-strong crowd with

the support of his fiance Leanne Croft.

Mr Coutis said that, if he could inspire one person a day, it had been a good day.

"Motivation lasts 10 minutes, inspiration lasts a lifetime," Mr Coutis said.

"As an inspirational speaker these days, I do as much talking as I do listening to what others

have to share with me.

"It is from what people say to me that I have become truly aware of the impact that my words and story can have on people," Mr Coutis said.

The couple share their lives with 10-year-old son Clayton who was born with hydrocephalus, or fluid on the brain.
